We acknowledge with gratitude the collaboration with the Canadian War Museum and Project Ploughshares in hosting this event, as well as the support of Peace Quest, the Embassy of the United States, the Embassy of the Federal Republic of Germany, the Embassy of Austria, and the Academic Council on the United Nations System. Most of all, thanks to all 132 participants who attended the Conference, contributing to a lively discussion on World War 1 and its implications for many issues of war and peace that still resonate today.
